Shimo no Hanzou, do you really think that this girl can become a shinobi?
No, I'm going to put her under the direct supervision of my personal medicine man.
AHAHAHA
You know how skilled she is, don't you Hanzou?
But Lord...
EEH!?
You want to make her a concubine!?
T...Take her!?

Well...
Rather than subjecting her to pointless shinobi training,
don't you think it would be better if she remained here and exercised her talents as a medicine maker for the public good?
I said no...
protest
Usagi, you will remain here
Eh...
It's just as Ieyasu-sama says
You're not fit to be a shinobi

I promised you she'd master ninjutsu, didn't I?
What do you mean by leaving her here?
Usagi!
That's enough.
I will stay here
